

**Stuart Mackay Models are the exclusive UK importer of these very high quality exhaust systems, aluminium spinners and motor accessories from Germany, the home of the most stringent noise levels in Europe.**

**You will be delighted with the excellent quality and practical approach of all the products, tailor-made to serve the exacting exhaust manifold and silencer demands of today's large-model flyer and the noise sensitive environment in which we operate.**

**Krumscheid Products are used by the leading flyers at national and international level.**
